

CHILD OBSERVATION CLASSES TO OPEN

Torrance Evening High School will conduct classes in child observation at Watteria and McMaster Parks in Torrance. It was announced by R. E. Collins, principal. Registration at McMaster Park will begin at 9 a.m. on Tuesday, Sept. 17, or at 9 a.m. on Thursday. Registration at Watteria Park will be at 9 a.m. or 12:30 p.m. on Wednesday, Sept. 18.

Children aged two and one-half to five years enjoy a morning of supervised outdoor play, juice and resting time, group participation in

singing, games, clay, finger painting and easels, puzzles and other activities while their mothers learn techniques of handling groups of children. The adult education hour for the mothers will feature discussion and lectures on child growth and development.

Classes at McMaster Park are under the direction of Mrs. Lillian Randall and will meet each Tuesday and Thursday from 9 a.m. until noon. Mrs. Fritz Green-span is the instructor of the Watteria classes, which will meet on Wednesday from 9 a.m. until 12 noon and from 12:30 to 3:30 p.m. Further information may be had by calling the Adult Education Office, during the afternoons at FA 8-8080, Ext. 295, or evenings at FA 8-9206.

Open House Is Scheduled By YW-Wives

Torrance YW-Wives will hold open house for guests and members at 11:30 a.m. Tuesday at the YWCA, 2320 Carson St.

Mrs. David Ponsomby, president, invites all interested South Bay wives to attend and learn about the club's program and activities.

Child care for all ages will be provided.

During the meeting, Mrs. John Gorman, program chairman, will serve as mistress of ceremonies.

Meetings are held each Tuesday from 9:30 to 11:30. Sessions feature exercising, party bridge or volleyball preceding a speaker, tour, or

demonstration. Refreshments are provided.

Seasonal social events for members and their husbands are also held during the year. These include a Halloween party, Christmas parties for children and adults, fashion show, international dinner and the annual spring luau.

BE ALERT

Driving alertness should increase and speed should decrease as clear width of road narrows. Two cars approaching at 60 mph, close a 1000 foot gap in just over five seconds.

A demonstration of flower arrangements will be featured at the Sept. 24 meeting. If further information is desired, call the Torrance Y at FA 0-2255.
